

St Mark's Crescent Methodist Church

**2020
Vision**

(Page updated on 10 January 2022)

Building work for our 2020Vision project was completed in November 2019 but the pandemic delayed plans to open up and utilise the newly refurbished church buildings for the benefit of the local community.

A celebratory Rededication Service, originally planned for March 2020, was finally held on 20 November, attended by the RBWM Mayor, Councillor John Story, and The Rt Hon Theresa May, MP.

Thankfully, we're now back to organising fundraising events to enable us to complete repayments of loans required to finish the project.

The following events are planned and further details can be found at stmarksmaidenhead.org.uk/notices.pdf

Saturday	15 January	10- 11.30am Bazaar 7 for 7.30pm Quiz Night
Saturday	19 February	10-11.30am Bazaar
Saturday	12 March	7 for 7.30pm Quiz Night
Saturday	19 March	Bazaar

Grateful thanks go to all those who've supported and continue to support these activities and to those who've generously donated to St Mark's to enable completion of the 2020Vision building project.
